Once upon a time, a fisherman and his wife lived near a village. Everyday, the fisherman went to the ocean o catch fish.

One morning, the fisherman went to work as usual. He was about to catch the fish when a witch appeared and begged him not to catch the fish and she would give him three wishes. The fisherman was very happy when he heard that. He ran home happily.

The fisherman told his wife about the witch and the three wishes. His wife was very happy. She thought she would have a lot of money, a big house and they will be a monopoly.....Both of them were very happy.

The fisherman said, 'I know we shall be rich. But just now, I am hungry. I wish I will have some hamburgers for dinner.' As soon as he said the words, a pan of hamburgers was on the table. The fisherman stared at the hamburgers. His wife was very angry and she scolded him. The fisherman wished the hamburgers would hang on his wife's nose. Suddenly, the hamburgers would hang on his wife's nose. The fisherman gave the hamburgers were hung on his wife's nose. The fisherman gave the hamburgers a pull but the stuck.

The fisherman used his last wish and wished for the hamburgers would be back on the pan.

The three wishes were gone. They were still as poor as ever.
