

Writing 3 How Karen Spent Her Pocket Money

Karen and her mum were at home. Her mum gave her pocket money. It was ten dollars. She was happy.

10 minutes later, Karen went to the street. She saw that there was a hawker. The hawker said, ‘ The fish balls are very cheap and yummy.’ She was so happy. She bought the fish balls then. After home, she had a stomachache. She went to the clinic to see the doctor with her mother.

The doctor told Karen that she should not buy the food to eat from the hawkers on the street because they’re so dirty. Then Karen said, ‘ Yes, doctor.’ Karen learnt that she can’t buy food to eat from the hawkers on the street anymore. She doesn’t want to a stomachache again.
