The School Picnic

On 31st December, my classmate, teachers and I have a school picnic. We go to Kowloon Park by coach.

I can see butterflies, bees and beautiful birds there. My classmates have some snacks and drinks. We walk around the park after our lunch. The teachers show us some special flowers there.

The teacher says, 'Let's play hide-and-peek.' We play for a while. Then the teacher says, 'That's enough. We need to continue the trip.' We take a rest and then we go to watch bees, birds and butterflies. They are flying in the sky. I think it is a quiet and peaceful park. I like this park.

The teacher says, 'Let's take a photo.' Therefore we take a photo and later the teacher will show it in our classroom. We visit the special places there. We are excited.

One hour later, we can see the most beautiful landscape. 'Wow! What a pretty place!' shout my classmate and I. We can see the sunset too. Then we go back to school. It is a really wonderful day.
