By: Catherine Tam Yuk Yan (5A)

On the 12<sup>th</sup> of December, 2013, our Lok Sin Tong Leung Kau Kui Primary School (Branch) LKKB newspaper team interviewed Miss Sou. She has been teaching in our school for nearly five years. She teaches classes 2C, 5A and 5D. She likes to be a teacher because she likes children. She likes teaching them and she wants them to be good people in the future. She likes teaching class 5A the most because some of them are smart and very hardworking. She feels happy when she plays some games with class 5A. She loves all of her students. Her favourite subject is History.

She lives in Tin Shui Wai. She sometimes goes home by LRT and sometimes on foot. It takes her about twenty minutes to go to school because she lives near our school.

Her hobby is singing especially in choir. She likes to go to Ocean Park in Hong Kong and if outside Hong Kong, it would be Taiwan. She likes Ocean Park because she likes sea animals. Her favourite food is seafood.

Her birthday is on the 28<sup>th</sup> of June. She likes summer the best because she can enjoy her summer holidays. Her favourite festival is Christmas. Her favourite colour is white. Her idol is her parents. Her favourite song is "For the Beauty of the Earth." She likes the Winnie the Pooh cartoon the most because she thinks it is cute.

I got to know more about Miss Sou and have enjoyed interviewing her.

**A Presentation**

I am Hendy Man. I am from class 4B. As a good student, we should run in the park because it is a good place for us to play. We should listen to teachers carefully because we want to get good marks.

We shouldn't play tricks on our classmates because it makes them unhappy. We shouldn't fight with them because it will hurt others. We shouldn't talk with them during class because teachers will be angry. We shouldn't drink in the library because it will make the library dirty.

**Interesting Places in Hong Kong**

There are many interesting places in Hong Kong. We can see and do a lot of things there.

Hong Kong Disneyland is one of the many interesting places in Hong Kong to visit. It is located on Sunny Bay in Lantau Island. People can go there by MTR or taxi. They can take photos with 'Winnie the Pooh' and 'Mickey Mouse' on Main Street. The cartoon characters are very cute. People can also go to Adventureland. The Jungle River Cruise is like going through Asia and Africa. It is the biggest area in Disneyland.

Apart from that, people can go to Fantasyland. They can watch Disney movies. The movies talk about some musical instruments which can control themselves. If people want to sit on some rides, they can go to Tomorrowland. They can ride on the roller coaster called 'Space Mountain'. There are many other games and places in Disneyland too. If you want to know more, you should go to Disneyland.

**A Reply Letter**

Dear Grandma Lucy,

How are you? I am fine. It is very hot in Hong Kong. It is always sunny. I often eat ice cream and watermelon. I always go to the swimming pool to swim with my family and friends. I am very happy.

I am very happy that you can remember my birthday. I was very happy on that day too. I went to my home and saw that all my friends had gifts for me. I was very surprised because I did not call my friends to my home. My mum was kind. She made two big birthday cakes for my friends and me. After we ate the birthday cakes, my friends and I played games together. We played happily. This birthday party was a very unforgettable one. I liked it very much.

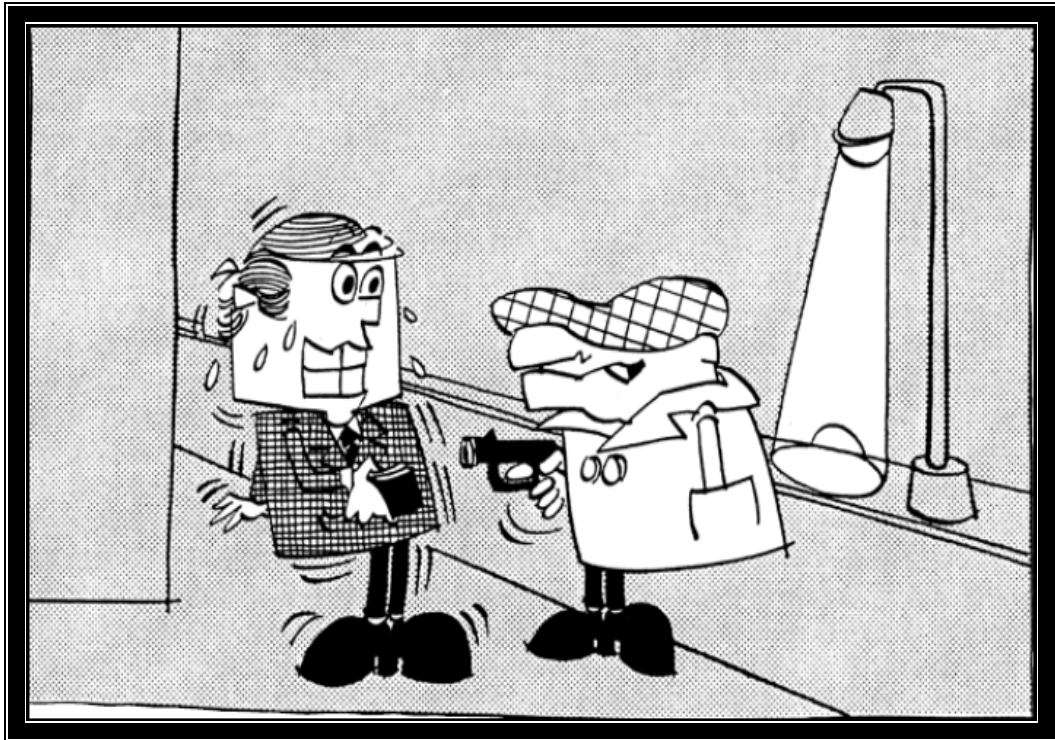

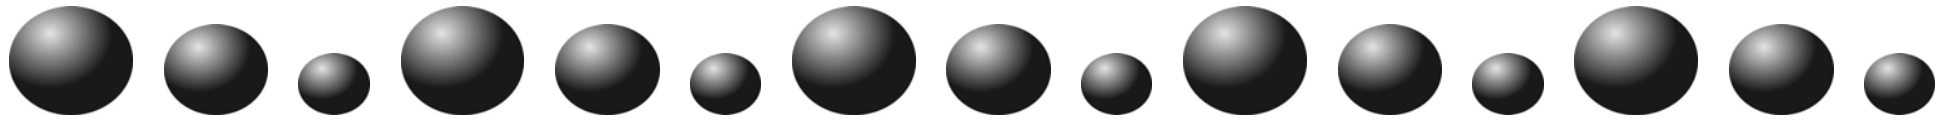

It is good to have many good friends. Do you have friends in New Zealand?

Please write back.

Love,  
Phillip
